“Learning from the past, preparing for the future”

Scientific Committee

Mike Jones (Scientific Programme Committee Chair)

Bruce Osborne (FESPB President)

Heribert Hirt (FR)

Phil Hulme (NZ)

Andreas Weber (GER)

Hans Lambers (AUS)

Liam Dolan (UK)

Steve Long (US)

Bill Davies (UK)

Anna Rychter (CZ)

David Beerling (UK)

Christine Foyer (UK)

Giles Oldroyd (UK)

Suzanne Barth (IRL)

Conference Themes

As well as general plant biology sessions
the conference topics will include

Plant biology for bioenergy

Root biology

Symbiotic interactions

Natural variation and its significance in plants

Organelle biology

Stress responses

Plant evolution

Plants and ecosystems

Plant invasions
